for delivering the documents is less professional than that explained in Attachment A. However, after the handwriting of Attachment C had been analyzed, it was concluded that it had been written by the same person who wrote the Attachments A and B. Since BANDERA has been dead several years it is thought that this letter peddling may be a KGB project.

- 6. Please ask the ODACID officer who received Attachment C for permission to pass the translation and the photographic copy of the latter to liaison.
- 7. Please ask Maison if they have any other information on this letter peddling and if they can assist in identifying the peddler.

## Your Exellency!

It very dificult for me right to you in english but I believ that you find sambody of Ukranien translate from Ukranian this leter about connection between inteligence USA and OUN (Organisation of Ukranian nationalists). I have several important dokuments about this which, I think, have to interest your inteligence people.

Therefore, your Excellency, some very interesting documents which belong to one of the leaders of the Organization of Ukrainian Nationalists, fell into my hands. There is much said in these papers about the collaboration of the OUN with your country's intelligence. In order for you to appreciate the importance and seriousness of these documents, insofar as your nation in concerned, I am attaching a photocopy of certain excerpts from a letter written by BANDERA, whom you undoubtedly know, to a friend of his in the UEA.

If you wish to receive all the documents, do the following: First, put \$2,000 into the hiding place (description of which I give below) and there, after I take out the money, you will find the necessary papers. This hiding place is in the Sockeliffe area in the empty lot which leads off Springfield Road, Maripose Road and Buchan Street, by building No. 275 on Springfield Road. By the large maple, you cross the street and walk along the asphalt path which crosses the empty lot. Walk about 250 feet. When you approach the metal fence of the playground, turn left and go to the end of the fence of the playground. Thirty feet from the corner of the fence are several large stones. Leave the money in back of the large stone. I shall look for the money for the next five days.

I feel confident both you and I will be satisfied.

I wish you good health.
